iGUIDE has the Tools Buyers Want

What features do Buyers Value when searching for a home?

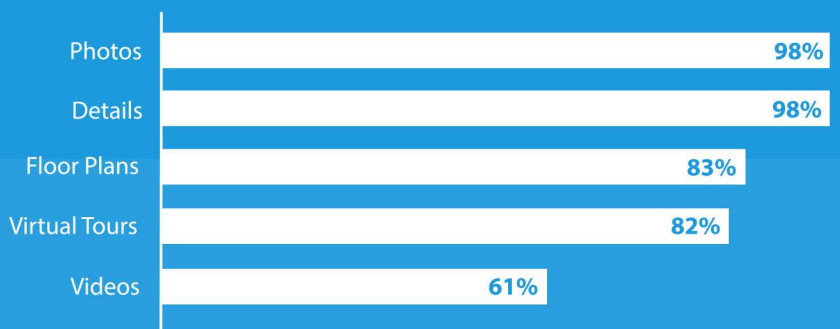

Exhibit 3-18 National Association of REALTORS 2017 Profile of Home Buyers and Sellers

What is the iGUIDE?

3D Immersive Tour

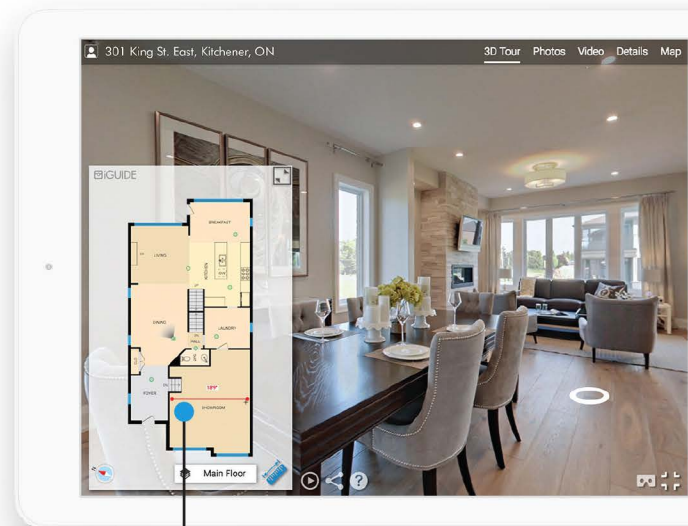

The more time home shoppers spend looking at a home the more likely they are going to want to buy it. iGUIDE attracts and holds buyers attention.

Floor Plans

Home shoppers want floor plans. Your home will be more memorable because shoppers will have a better understanding of how your home flows.

Property Details

Potential buyers want all the facts about a home. With the important details like room measurements and area calculations, they are more likely to visit your home.

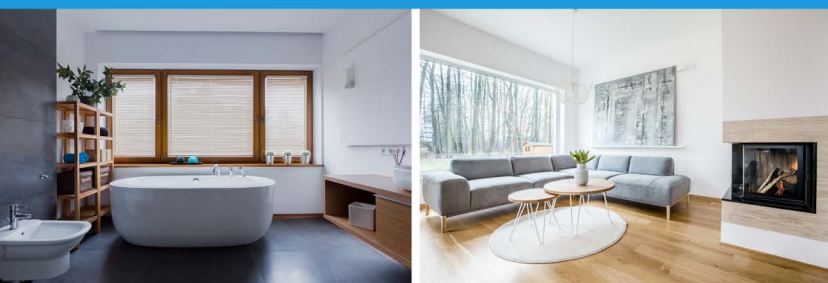

Measurement Tool

Let's shoppers and buyers take custom measurements anytime and anywhere like measuring for furniture and fixtures.

Professional Photography

89% of potential home buyers find photography very useful when searching for a home. Professional photos capture attention and draw buyers in, showing your home in the best light.
